Printing Guide

- 1. Download the pdf file to your computer and open using Adobe Reader (free software available at Adobe.com).
- This file contains 8 patten sheets. Set your printer settings to "Actual Size" and/or " No Scaling" and print sheets on standard 8.5" x 11" or A4 paper.
- 3. Trim or fold sheets along the outside box with triangle notches on it.
- 4. Match the sheets according to this diagram along the triangle notches.
- 5. You are ready to cut out desired pattern pieces.
